NaNoWriMo - Junior

**Thursday, Nov 14
3:30-5:00pm**

Local award-winning young adult novel author Valerie Biel will guide students from initial idea through a completed story. We'll work on building a good plot, character creation, choosing your setting, dialogue that doesn't drag, and everything else that goes into making your story awesome! For participants who have participated in previous writing workshops and writing labs, we'll review topics and add in more advanced writing craft tools.

This class is open to students in 4th- 9th grade.
