STEAM: Heart Science

**Wednesday, February 26
3:30-4:30pm**

Join us in February for American Heart Month! Learn about being heart healthy and build a model of a working heart pump to see how blood moves through the human body.

Cinema Saturday February 22 @ 10:00am

Join us for some cinematic movie fun at the library! We will be watching "The Wild Robot" (PG). Snacks & Juice provided!

Family Valentine's Day Party Friday, February 14, 10:00-11:30am

Families are welcome to drop-in for a Valentine's Day party at the Library! Everyone will receive a Valentine from the Library, and we will have treats, games and activities for toddlers up through middle school age kids.

Genealogy Workshop with WHS

Saturday, February 1 @ 9:30am

Wisconsin Historical Society has one of the top five genealogical collections in the country, with materials from across the United States and Canada. In this presentation with WHS guest speaker Rebecca Hopman, you'll discover more about the library's extensive newspaper and family history collections, learn how to search our catalog and website to find materials on your family, and find out how to plan for your next research visit.

This program will take place in person at the library and online via Zoom. Registration requested as space is limited. Sign up at columbuspubliclibrary.info

Badger Talk with Professor Sissel Schroeder

Thursday, February 6 @ 6:00pm

This talk describes an ongoing archaeological field research project at the site of Aztalan in Jefferson County, WI, that is focused on developing a better understanding of the internal organization of the site and reassessing historical narratives about the site and its occupation history.

This program will take place in person at the library and online via Zoom. If you choose to attend on Zoom, please register online so we can send you the link to the event.

Tech Tuesdays

Tuesday, February 25 @ 12:00pm

Join us on select Tuesdays to learn technology skills at Columbus Public Library. Classes will include basic internet use, smartphones, internet safety, and more! A free lunch will be provided! We will meet at 12:00 in the library program room. If you have a device you would like help with, feel free to bring it along! This program is made possible by a generous grant from the Public Library Association and AT&T.
